(“BioMark”) (CSE:BUX) is pleased to announce that it has received approval to list its Common Shares for trading on the Canadian Securities Exchange (“CSE”), and that its Common Shares have commenced trading as of the opening of market, today, November 3, 2014, under the trading symbol “BUX”.

About BioMark

BioMark is a Canadian based company that is in the process of developing an advanced stage cancer diagnostic business. BioMark’s cancer diagnostics technology has developed to date into a metabolomics-based diagnostic assay that allows for early cancer detection. BioMark is currently focused on bringing its cancer diagnostic kits and detection system up to commercialization standards and hopes to commence distribution once clinical trials are complete and regulatory acceptance is obtained.

Further information about BioMark is available under its profile on the SEDAR website www.sedar.com and on the CSE website www.thecse.ca.
