BioMark Diagnostics, Inc. to present at the inaugural equities.com Small-Cap Stars Conference at the NASDAQ MarketSite on December 18, 2014

Vancouver, British Columbia – (December 16, 2014)–BioMark Diagnostics Inc. (“BioMark” or the “Company”) (CSE: BUX, FSE:20B) is excited to announce that it will be presenting at the inaugural equities.com Small-Cap Stars Conference at the world-famous NASDAQ MarketSite on December 18, 2014.

The event is a gathering of the brightest emerging growth NASDAQ-listed small-cap companies to present and network with an exclusive group of top-level institutional investors. The equities.com Small-Cap Stars Conference is highlighted with a keynote presentation by legendary money manager and small-cap pioneer Ken Fisher, CEO of Fisher Investments. There will also be a special guest presentation by Rock & Roll Hall of Famer Gene Simmons, a New York Times best-selling author and Master of Brand Identity.

President and CEO of BioMark, Rashid Ahmed comments: "The equities conference provides us with an outstanding venue to update our investors and provides us with unparalleled access to major US institutions that understand the potential in the biopharma sector for Companies with advanced diagnostics solutions."

To learn more about BioMark Diagnostics, Inc. we encourage you to visit our website at www.biomarkdiagnostics.com.

The event is for an institutional audience only. Attendees will include: Hedge Funds, Family Offices, Portfolio Managers, Investment Banks & Venture Capitalists interested in small-cap opportunities on the NASDAQ. One-on-One meetings are available for company management teams and qualified investors.
