## **BIOMARK Selected to Pitch at 2017 BCTECH Summit**

BioMark Diagnostics Inc. (“BioMark”) (CSE: BUX, FSE: 20B, OTCQB: BMKDF) is proud to announce that was selected to pitch at #BCTECH Summit, during the Investment Showcase that was scheduled for March 15th 2017 at Vancouver Convention Centre.

President and CEO, Rashid Ahmed says, “BioMark is excited to be amongst the top selected companies to showcase our leading edge cancer diagnostic platform to a dynamic financial investment, government and biotechnology global community”.

### About BCTECH Summit

The #BCTECH Summit is the largest technology conference in British Columbia showcasing the province’s vibrant technology industry. From innovations in eHealth data, autonomous vehicles and customer experience, to emerging ideas in cleantech, agritech and aerospace, the two-day event will give you the information and tools you need to move forward in a world where technology is impacting every part of our economy – and our lives.

The #BCTECH Summit brings together tech entrepreneurs, anchor companies, business leaders from traditional industries, investors, government and academia to establish new connections, nurture existing networks, and exchange fresh ideas around innovation driving business growth.

More about the summit is available at <http://bctechsummit.ca/>

### About BioMark Diagnostics Inc.

BioMark is developing proprietary, non-invasive, and accurate cancer diagnostic solutions which can help detect, monitor and assess treatment for cancer early and cost effectively. The technology can also be used for measuring response to treatment and potentially for serial monitoring for cancer survivors.

Further information about BioMark is available under its profile on the SEDAR website [www.sedar.com](http://www.sedar.com) and on the CSE website [www.thecse.ca](http://www.thecse.ca).
